### Key Columns in Report

Summary	<b>Column I</b> provides recurrence rate for reporting period by site, county (ALL) and statewide
Case-Level Detail	<b>Column AE</b> provides the date the PS Report is screened in <b>Column AT</b> provides the date the Assessment is approved by the supervisor

### Other Comments/Considerations

- Report includes only cases where report is received during the reporting period and the initial assessment has been approved by a supervisor.
- The calculation for the National Standard (above) is established using available data from all states and is based on data reflecting a one-year period of activity.
